For All of You, All of Your Life

The Advanced Cardiovascular Life Support (ACLS) course leading to the presentation of American Heart Association (AHA) ACLS provider course-completion card is a two-day, intensive program with training sessions incorporating the latest guidelines by the AHA. The course provides participants with the knowledge and skills identified by the AHA to participate in an actual resuscitation of an adult in cardiac or respiratory distress. The course may also be useful for physicians planning to pursue residency programs in the US.

This course is open for physicians, nurses and paramedics. The participants will take part in hands-on workshops with the instructors along the lines of the latest ACLS guidelines. All the participants should read the ACLS material provided to them at the time of registration and take the pretest before the course. Those participants who successfully pass the course will be given the American Heart Association's ACLS Course Completion Cards valid for two years. This course is sponsored by Resurrection Healthcare Training Center, Chicago, Illinois, USA.

The ACLS Workshop will be conducted on January 10th & 11th, 2010
(Sunday & Monday) from 8am – 6pm.
